PROFESSIONAL SUMMARY

Data Science student (BSc, Miva Open University, on academic scholarship) and Machine Learning Intern at FlyRank AI, with 2+ years of experience in data management and technical content. Proficient in Python, SQL (Structured Query Language) and the MERN stack (MongoDB, Express.js, React, Node.js). Maintained 100% data integrity across structured datasets and guided 70+ data science students as a moderator. Seeking data science and machine learning opportunities.

CORE COMPETENCIES

Data Science & Analytics: Python (Pandas, NumPy, Jupyter), SQL, Exploratory Data Analysis (EDA), Descriptive Statistics, Tableau, Excel, Data Management, Data Entry

Web Development: HTML5, CSS3, JavaScript, TypeScript, React, Next.js, Node.js, Express.js, MongoDB, REST (Representational State Transfer) APIs

Tools & Methods: Git/GitHub, Technical Writing, Documentation Design

Languages: English, Spanish

CERTIFICATIONS

- Accelerated End-to-End Data Science Workflows (RAPIDS, GPUs, and Scale) – NVIDIA
- Pathway Program (Computing, Statistics, Business, Entrepreneurship) – ALX Africa, 2025
- Python Essentials 1 – Cisco Networking Academy
- Improving Technical Writing – NonprofitReady
- Responsive Web Design – freeCodeCamp, 2022

WORK EXPERIENCE

Machine Learning Intern | *FlyRank AI* *Jul 2026 – Present*

- Contribute to machine learning work as an AI intern, building hands-on experience with applied ML.

Student Moderator | *TS Academy* *Feb 2026 – May 2026*

- Guided and unblocked 70+ data science students facing complex analytical and academic hurdles.
- Orchestrated daily peer discussions and compiled structured feedback reports for the administration to optimise curriculum delivery.

Technical Virtual Assistant | *Wall Management Enterprise* *Feb 2023 – Mar 2025*

- Engineered and optimised data entry workflows, validating and organising structured datasets to achieve 100% data integrity.
- Authored customer-facing website content communicating core services, technical projects, and corporate updates.
- Designed standardised corporate documentation templates, establishing consistent brand assets across external communication channels.

PROJECTS

Open Source Contributor | *freeCodeCamp*

- Refactored curriculum modules, streamlining structure and removing advanced complexity to improve learning progression for beginners.
- Improved web accessibility by merging code changes aligned with WAI-ARIA (Web Accessibility Initiative – Accessible Rich Internet Applications) guidelines for assistive technologies.

EDUCATION

BSc Data Science | *Miva Open University* *Expected April 2028*

- Academic Scholarship Recipient.

Data Science Certificate | *TS Academy* *Feb 2026 – May 2026*

- Merit-based Scholarship Recipient.
